**HIGHLAND PARK METROPOLITAN DISTRICT
2022 BUDGET
SUMMARY OF SIGNIFICANT ASSUMPTIONS**

Introduction

The Highland Park Metropolitan District (“the District”) is a quasi-municipal corporation and a political subdivision of the State of Colorado, was organized by order and decree of the District Court on October 6, 1983, and is governed pursuant to provisions of the Colorado Special District Act (Title 32, Article 1, Colorado Revised Statutes). The District's service area is located in Arapahoe County.

The District was established to provide financing for streets, safety inspection, transportation, parks and recreational improvements, television relay and translator, and mosquito control within its boundaries.

On November 4, 1997, the District's electors authorized the issuance of indebtedness in an amount not to exceed \$1,850,000 for infrastructure improvements at an interest rate not to exceed 10% and authorized an annual operations mill levy of up to 10.000 mills. On November 2, 1999, the District's electors authorized the District to collect, retain and spend all revenue without regard to any limitations under TABOR.

The District has no employees and all operations and administrative functions are contracted.

The District prepares its budget on the modified accrual basis of accounting in accordance with the requirements of Colorado Revised Statutes C.R.S. 29-1-105.

REVENUES

Property Taxes

Property taxes are levied by the District's Board of Directors. The levy is based on assessed valuations determined by the County Assessor generally as of January 1 of each year. The levy is normally set by December 15 by certification to the County Commissioners to put the tax lien on the individual properties as of January 1 of the following year. The County Treasurer collects the determined taxes during the ensuing calendar year. The taxes are payable by April or, if in equal installments, at the taxpayer's election, in February and June. Delinquent taxpayers are notified in August and generally sales of the tax liens on delinquent properties are held in November or December. The County Treasurer remits the taxes collected monthly to the District.

The primary source of ongoing revenue is property taxes. For tax year 2022, the District adopted a general fund mill levy of 8.790 mills, generating \$591,888 in property tax.

Specific Ownership Taxes

Specific ownership taxes are collected by the County Treasurer from vehicle licensing within the County as a whole and distributed by the County Treasurer to all taxing entities on a prorated basis.

Net Investment Income

Interest earned on the District's available funds has been estimated based on an average interest rate of approximately 1%.

EXPENDITURES

Administrative and Operating Expenditures

Operating and administrative expenditures include the estimated services necessary to maintain the District's administrative viability such as legal, accounting, management, insurance, banking, and meeting expense. Estimated expenditures related to landscaping, repairs and maintenance, utilities, and street light operations were also included in the budget.

County Treasurer's Fees

County Treasurer's fees have been computed at 1.5% of property tax collections

Capital Repair and Replacement

The District anticipates capital repair and replacement expenditures in 2022 of \$265,000.

Debt and Leases

The District has no outstanding indebtedness, nor any operating or capital leases.

RESERVES

Emergency Reserve

The District has provided for an emergency reserve equal to at least 3% of the fiscal year spending for 2022, as defined under TABOR.
